Introduction

The International Free Electron Laser Conference is the major international conference of the free electron laser community. Since 2015 it is held bi-annually. The conference gathers experts from universities with small installations or theory groups to large accelerator laboratories operating big user facilities.

FEL'19 was hosted by European XFEL and DESY.

Conference Chairs: Winni Decking & Harald Sinn

Scientific Program Chairs: Siegfried Schreiber & Gianluca Geloni

Secretariat & Registration: Christel Övermann & Katrin Lando

Administrative Chair: Matthias Kreuzeder
